EXECUTIVE SUMMARY

Young People Corporation (YPC) is a 501(c)(3) nonprofit organization committed to improving educational outcomes and long-term family stability for underserved families with children in grades K–12. Serving communities in Washington State and Southern California, YPC addresses the interconnected challenges of:

OUR PROGRAM MODEL

Through a comprehensive, family-centered approach, YPC provides:

- *Education Scholarships: Increasing access to private Christian K–12 education*
- *Mentoring & Youth Development: Guiding students through character-building and academic support*
- *Health & Wellness Programming: Offered in partnership with the DTX World Class Program*

5-YEAR VISION

Over the next five years, YPC aims to:

- *Expand its reach across Washington State and Southern California*
- *Strengthen local and regional strategic partnerships*
- *Increase scholarship capacity for K–12 Christian education*
- *Scale holistic support services for families in need*
- *Demonstrate measurable, data-driven outcomes aligned with funder and community priorities*

Your partnership directly invests in transforming families, empowering students, and building stronger communities rooted in faith, education, and opportunity.
